## PEANUT, PEANUT-BUTTER!!

Having their first winning season since 1973, the field hockey team had the best record in twenty years with a fantastic 11-2-2 record. The first big win came when New Hope beat Bicentennial League arch-rival Jenkintown by a score of 2-1. This was the first time that the girls ever beat this team, and they did it knowing they had to beat Jenkintown to win their division.

By outscoring their opponents 39-7 the team won their Bicentennial League Division and went on to the biggest game in girls' sports history at NHS. In the first district playoff game by any girls' team from New Hope, the girls beat perennial powerhouse and Suburban One champion, Upper Dublin, in overtime 1-0.

Although six valuable seniors will be graduating, there will be ten varsity returnees. They include leading scorer Linda Petrie and goalie Nicole Fresco, who registered eight shutouts and had only four goals scored against her.

This year's soccer team was one of the best ever put together at New Hope. Posting a 9-6-2 record they captured the Bicentennial League title. One of the highlights was Coach Irwin's one hundredth career victory. His ten year coaching record now stands at an awesome 103-52-21.

The climax of the season, though, came in New Hope's first district soccer play-off game since 1973. Playing CB East at Upper Moreland stadium, New Hope beat East 3-1. Two happy, cheering busloads of New Hoppers celebrated the victory the rest of the night!

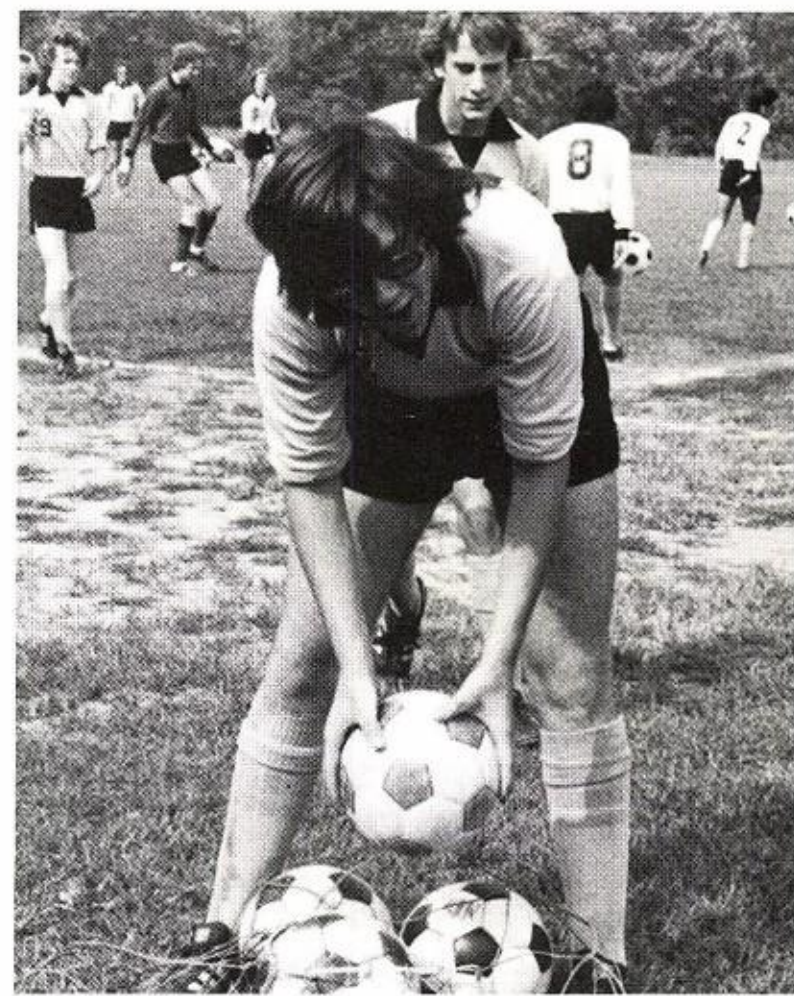

With seven seniors leaving, including Pedro Leal, leading scorer and AFS student, there will be nine varsity letter winners returning to try and top this year's record.

Coach LaPorte . . . in her usual stance.

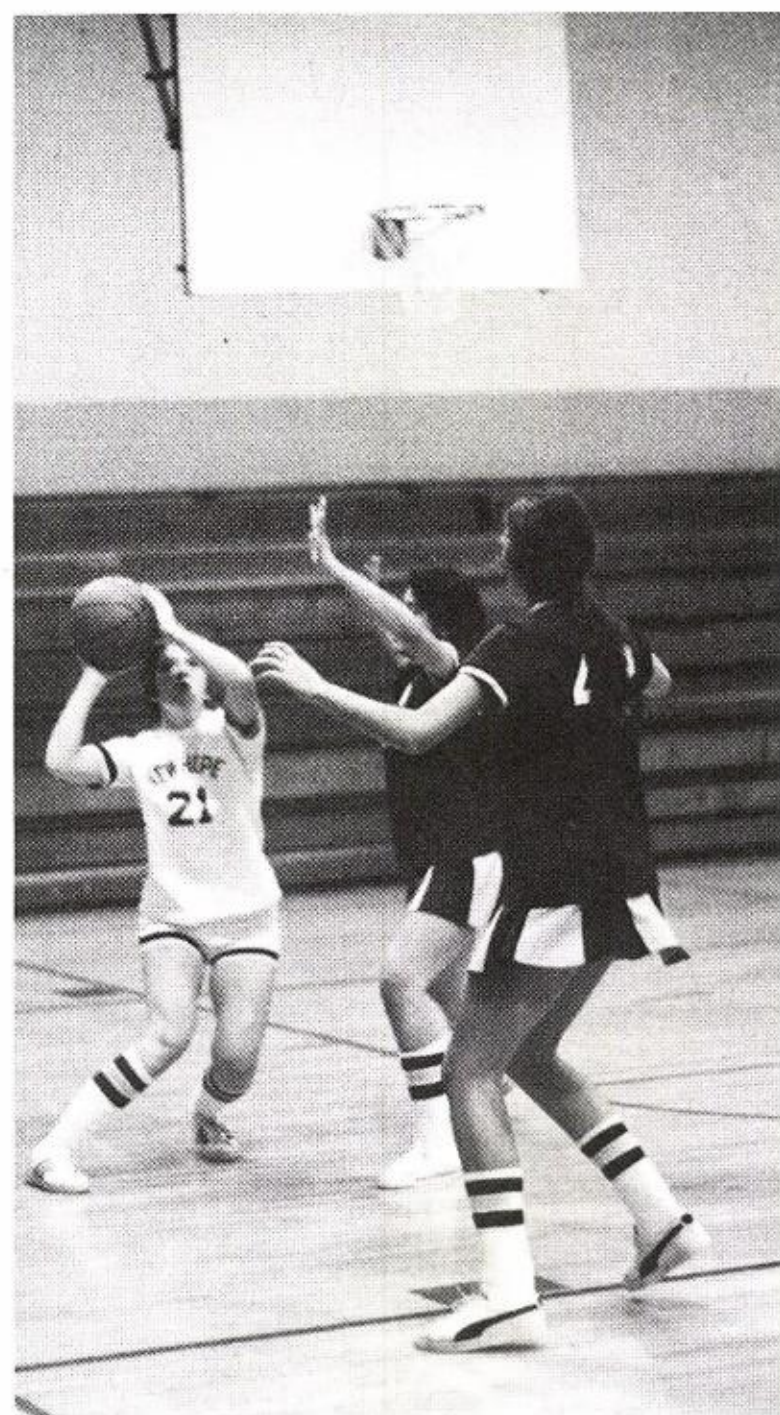

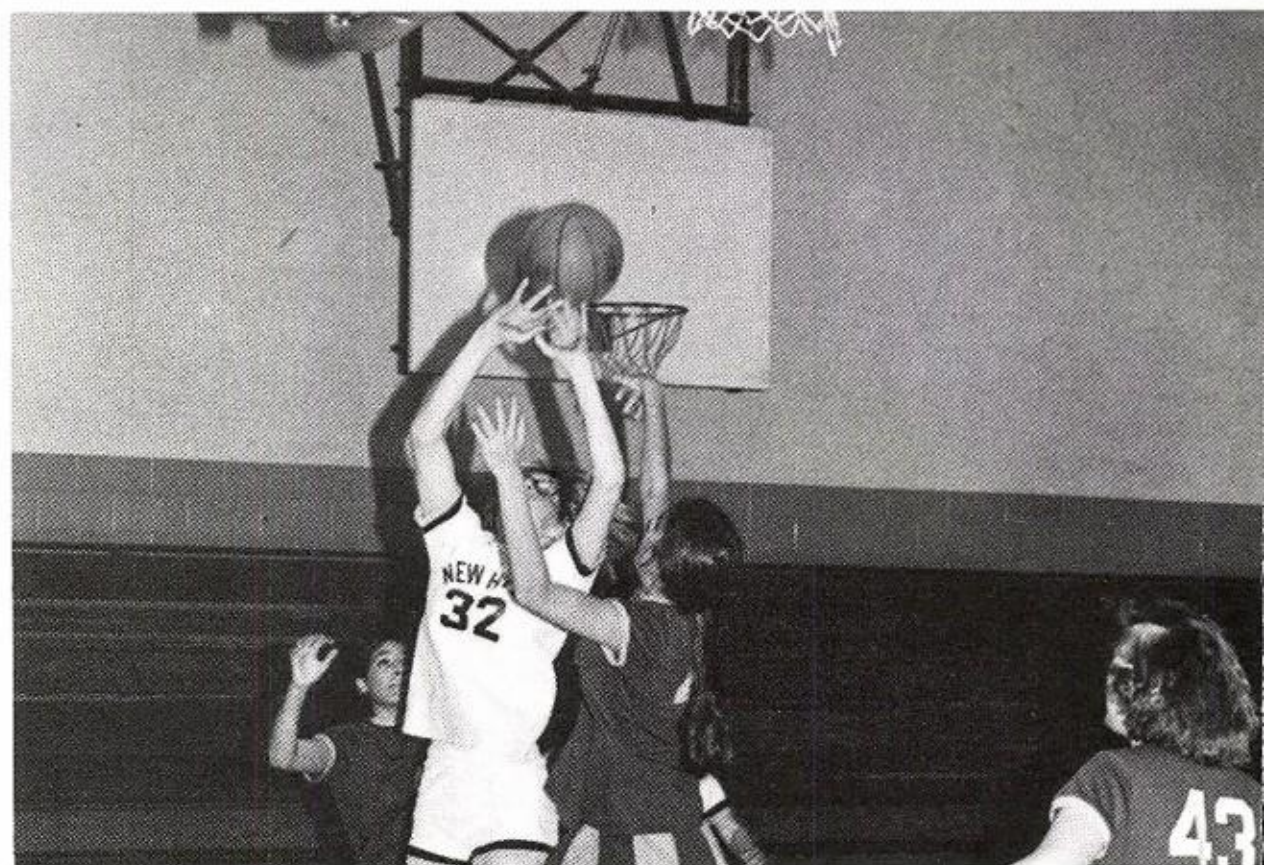

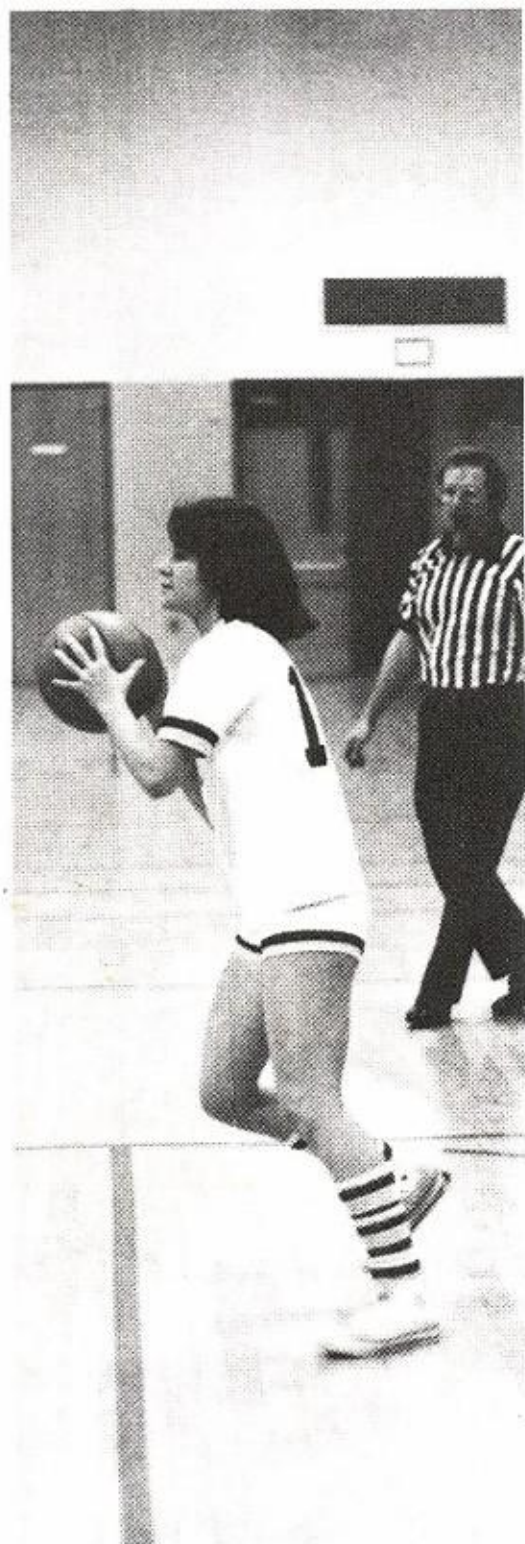

The Varsity Girl's basketball team rocketed from a 1 - 14 record to a 10 - 10 overall and 8 - 6 league record which tied them for a play-off spot with Bristol. Although they lost to Bristol, the girls played a fantastic game with Linda Petrie scoring 30 points. Linda was the team's high scorer with over 300 points this year. Other team standouts include sophomores Patty Heath, Donna Zekonis, Nan Bell and juniors Tracy Brown, Dawn Holkey who, along with Linda, are the team's tri-captains. Since there are no seniors on the team, all members are returning and looking forward to a championship season next year. Mrs. Ockenhouse's Junior Varsity team also had a tremendously successful season with a 15 - 2 record, the best record of any team in the history of the school.
